# POWER OF PHILANTHROPY

Holy Cross Health is a not-for-profit faith-based healthcare system that relies on philanthropy to advance our mission and make a difference in the communities we serve.

Through your generosity and the commitment of our supporters, we will invest in cutting-edge technology, equipment, and facilities; provide training and education programs for our clinical and administrative staff; spearhead pioneering research initiatives and clinical trials; and guarantee access to the best healthcare services for our patients and community.

With the healthcare industry evolving, Holy Cross Health remains devoted to advancing our longstanding legacy and esteemed reputation as a reliable and trusted healthcare system. Our focus is on meeting the present and future healthcare needs of our community while being at the forefront of medical innovations.

We appreciate and value the significant importance you and our supporters place on improving community health and the well-being of our patients. Your generosity will have a lasting impact on our future, guaranteeing that Holy Cross Health remains the preferred destination for exceptional and compassionate care in Broward County.

**Through Philanthropy, we are *Building Excellence Together*.**

## WAYS TO GIVE

### Cash Donation

The simplest way to give a gift or grant is made through cash, check, wire or credit card. Your gift may lower your taxable income while you make an impact.

### Pledge

A commitment to give a certain amount of money over a pre-determined number of months or years.

### Planned Gifts

Donations made through bequests, wills, estate planning, securities, stock and life insurance. You can name Holy Cross Health as a beneficiary in your will, life insurance policy, or with a gift of real estate.

### Giving in Tribute

Honoring a loved one is a meaningful way to celebrate their memory or pay tribute. Families may also request that in lieu of flowers, memorial donations be made to Holy Cross Health.

### In-Kind Gifts

Contributions of items, goods or services that benefit the hospital.
