

2019 MEDICARE ADVANTAGE PLANS (In-Network for both the Hospital & Medical Group)

Aetna HMO and PPO Plans
AvMed HMO Plan
Devoted Health Plan
Florida Blue/BCBS - Classic, Choice & Select Plans
Humana PPO Plan
Solis Health Plan

Note:

- We are currently negotiating a 2019 agreement with United Healthcare. Although it is our intent to secure an agreement, it is possible we will not be able to reach an agreement. If we are not able to reach an agreement, Holy Cross Hospital and Medical Group will not be in-network with UHC in 2019.
- This year, if someone chooses a plan during enrollment and later decides it's not right for them, they will be able to change plans. After selecting a plan during the original enrollment period (Oct. 15 to Dec. 7), Medicare Advantage members will have an opportunity (Jan. 1 through Mar. 31) to choose a different plan.
